

GFS Show-Rite Finisher R20

Product #BF1004

About the Product:

Our Show-Rite Finisher is a high-energy, high-fat, complete feed formulated to maximize show cattle performance and provide the “bloom” and smoothness throughout. It is also used for an increased rate of weight gain for slaughter or feedlot cattle.

Feeding Directions:

Feed to finishing steers and market heifers weighing from approximately 750 pounds to finish, along with access to good quality forage. Make free-choice plain white salt available along with a clean, fresh source of drinking water.
