

# GFS 20% Pig Starter

**Product #SW9003**

**About the Product:**

Our GFS 20% Pig Starter is our custom mix for piglets that are in the transition of being weaned or right after weaning. This ensures that the pig will make a smooth transition at weaning and have good growth performance.

**Nutrient Fortifications:**

Contains fishmeal and other animal protein products to achieve a superior balance of essential amino acids. Steam rolled oats and milk products are used to promote feed intake.
